Travel and Arrive in USA. Gary, Elaine and Joye fly back to the U.S. today. Pray for safe and smooth travel.

The Team: Gary and Elaine Fallesen (Rochester, NY) and Joye Cantrell (Banning, CA).

The Mission: The first part of this Evangelic Expedition consists of a five-day walk where the Apostle Paul journeyed (this is a time for personal spiritual growth and inspiration). After following some of "St. Paul's Trail," the team will trek on Mount Ararat and do outreach among the Kurdish people.

The Prayer Needs: Please pray regularly for the health and safety of each team member. Pray for them to be used in powerful ways for the furtherance of the Kingdom of God as well. May He place His words of truth in their mouths, and His thoughts of grace and love in their hearts and minds. Pray for open many open doors!
